

This application is a Divisional of Application Serial No. 09/552,988 filed April 21, 2000, which claims the benefit of U.S. Provisional Application No. 60/020,150, filed June 20, 1996.

IN THE CLAIMS

Please cancel claim 1 and amend claims as follows:

6. (Amended) A substantially pure protein characterized by a physiologically active form and comprising an amino acid sequence encoded by the DNA of SEQ ID NO:4.

7. The protein as in claim 6 having neurotrophic, growth or differentiation factor activity.

8. A composition comprising the protein of claim 6 and a physiologically acceptable carrier with which the protein is admixed.

12. A complex comprising a substantially pure frzb-1 protein complexed with at least one Wnt protein.

REMARKS

In compliance with the requirements of 37 CFR 1.821-1.825, the Applicant encloses a computer readable form copy of the Sequence Listings referred to in the application. The Applicant submits that the content of the paper copy of the Sequence Listing and computer readable copies are the same, thus the computer readable form copy of the Sequence Listings no new matter has been added to the application.

Consideration of the above application is respectfully requested.
